Gus Van Den Berge Adviser One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it, "Lord, you said that once I decided to follow you, you'd walk with me all the way. But during the most troublesome times in my life, there is only one set of footprints, I don't understand why when I needed you most you would leave me."

The Lord replied, "My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

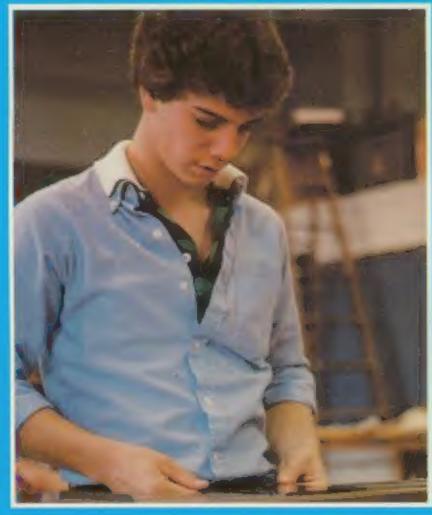

- unknown

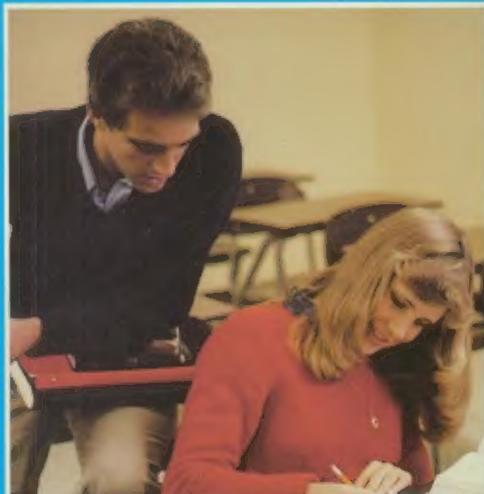

Walk boldly and wisely, there is a hand above that will help you on. - unknown

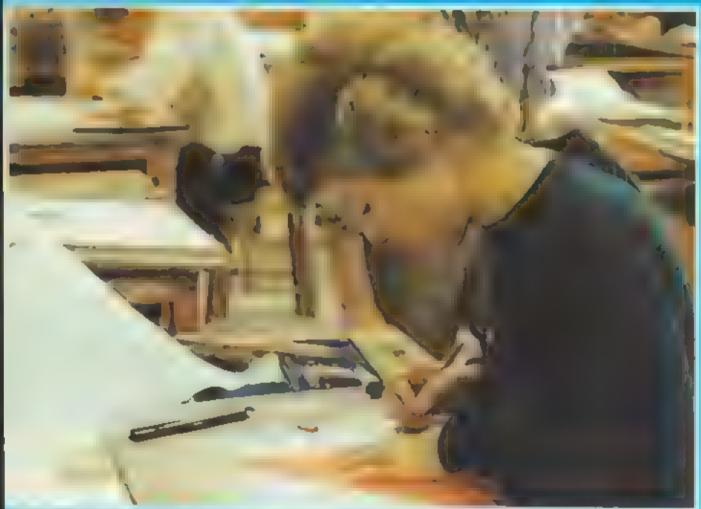

Teach me thy way, oh Lord; and lead me in a level path Psalm 27-11

The Lord shows me the path of life, in His presence there is a fullness of joy

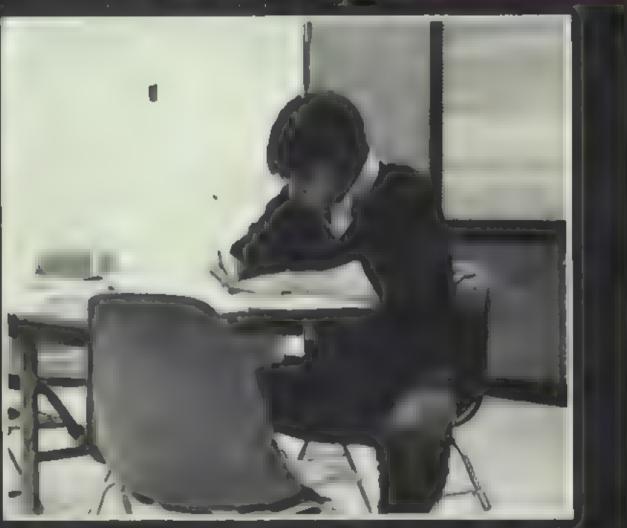

Even walking through the dark valley I will not be afraid, for he is close beside me, guarding, guiding, all the way

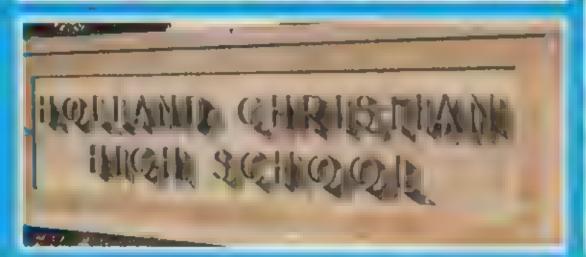

Let us run with determination the race that is set before us Hebrews 12 5

Putting Pressure on Opponents

The "Little Maroons" ended their season with a fine record of 9-3-2. The 18 member J.V. team had a good start winning 6 games in a row.

During the year they gained both skill and knowledge, and showed much improvement both individually and as a team. With 14 Sophomores, there is a lot of potential for next year's Varsity squad, and the freshmen also show promise for the Junior Varsity again next year.

Our Holland Christian golters had a spectacular season. The Varsity finished their season with a 11-2 record, and the Junior Varsity ended up with a 4-0 record Besides their regular matches the Varsity golfers had five 4-C League matches in which they finished first in all but one, where they ended up in second. The Varsity team hosted an Invitational at Winding Creek Golf Course finishing second out of 10 teams. At Regionals, our Varsity finished fifth out of 15 teams. Our IV team also had two 4-C League matches, finishing first in both of them. As you can see, both teams had an excellent season. The two seniors, Ken Beelen and Tom Hulst, will be missed, but there is great potential for upcoming seasons!

"Hard Workers" would be a good way to describe the 1983 girls swim team, Beginning in the middle of August, girls worked for two hours a day perfecting strokes and fine-tuning dives The results were fantastic! Three members qualified for the State meet New records were set in the 200 and 500 freestyle events by Kris Mulder, the 100 breaststroke by Stephanie Rhind, and diving by Sari Brummel. Besides these individual accomplishments, the improved times of all the swimmers earned the team a first place trophy at the South Haven Invitational and 3rd place at the Conference Meet

There were six girl's teams who competed against each other in basketball, floor hockey, softball, and many other sports. The ten boy's teams competed in football, basketball volleyball, badminton, and ping pong The teams would meet on Tuesday and Thursday evenings for an enjoyable workout A few names of the teams (always a little crazy) were "Road Knights," "'84 Warlords," "Over-the-Hill-Gang," "Born Losers," "Pebbles Proud Peacocks," "McNugget's," and The Junior Jockettes." The sponsors were Mr. Smits, Mr. Van Iddekinge, and Miss Schuiteman Miss Schuiteman said that there would be Girl's Intramurals again next year if an interest is shown

Sharp Shooters

The 1983 HCH5 Varsity Basketball team had an excellent season. This was Mr Jim Hulst's first year coaching He did a great job leading the team to a 12-8 record — the best of the past four years

One of the highlights of the season, not only for the team, but also for the faithful fans, was defeating Unity Christian twice during the regular season

The five Seniors and seven Juniors on the team learned a new game style concentrating on playing fast, both in running and passing. This helped them defeat both Hudsonville and, for the third time. Unity, earning them the district crown!

The fans were super, even at low points in the games, as one player put it "The louder the fans cheered, the more tunit was to play!"

Wrestling

Aggressive Agility

This year our wrestlers had a 7-11 record. With only three graduating seniors, Joe Ambrose, Kevin Heerspink, and Kurt Koops from a total of 21 team members, it was a young team. They made a very strong effort and competed against very tough teams, with several close meets.

The wrestling team participated in many tournaments. At East Grand Rapids, they placed eighth out of eleven. At the Christian High Invitational, they placed fifth out of six. At the Coopersville Invitational, they placed sixth out of nine. At the Hamilton Invitational, they placed sixth out of eight. At the South Haven Invitational, they placed seventh out of eight At the West Ottawa Invitational, they placed eighth out of eight At Districts they placed sixteenth out of eighteen

The wrestiers who really helped the team a lot this year were loe Ambrose with 23 wins and 11 losses, Kurt Koops with 27 wins and 12 losses, and Scott Tucker with 24 wins and 14 losses. The coaches were Mr. Van Iddekinge and Mr. Eggebeen. Next year should be a good season with a lot of returning wrestlers.

Napole

I can remember the times you set out to conquer your world Little Napole marching through the streets of Corsica Small in the halls of military schools in France You were a charismatic, powerful young man Napoleon You spent the war years well, gained some fame from the Egyptian expedition and Italian campaign against Austria I can remember the times you set out to conquer the world Your belief in fate was superstitious your ambition was limitless. General Napoleon You took advantage of the coup d'état and look what you got, appointed First Consul, you were voted in for life (A life sentence) I can remember the times you set out to conquer the world You've only been around for thirty years Consul Napoleon You never spent summers trying to renew yourself You weren't a dreamer Instead you calculated, planned brilliantly, Emperor Napoleon I can remember the times you set out to conquer the world So marriage wasn't bliss at all Whatever became of the maiden you named Empress? Where is Josephine? Napoleon They sent you off to Elba to reform, little emperor A hundred days of humility You characteristically bounced back for another round at Waterloo Beaten, weary Napoleon, brought to live your final years inhaling arsenic on St. Helena. What a downfall Old man Napoleon I can still remember the days you set out to conquer the world

The Blind, Old Man My body ached, my spirit broken, I tried hard not to cry. I begged and pleaded for some care, but no one blinked an eye Hooked for help; I searched in vain, But no comfort could I find Then suddenly I came across a man so old and blind My hope grew; some strength returned Maybe, he could help me? But could I dare put my faith

In a man who could not see? I took the chance. I gambled all On him my trust did rest And he came through; he cared for

His concern did more than pass the

My body healed; my spirit mended On him, I could depend For he had helped where no others would

He became my friend It was then I suddenly realized That it was I that had been blind For the first time in my life, I saw love, so humble and yet so kind

Beyond the Sunset

It was on Sunday I went out To walk along the beach, And there I met my one true love He stood out by the reach I shyly introduced myself, He turned and said, "Hello!" His smile was bright and made me think Of sunshine on the snow Yet there was something in his eyes. That made me ask, "What's wrong?" "Oh, nothing now!" was his reply, His voice so clear and strong We walked and talked as if good friends, Although we had just met. We shared our secrets, told our tales, And watched the red sun set We said "goodnight," but not "good-bye," Then each went our own way, That right I dreamed I was with him Beside the ocean spray Next morning I awoke to find Six roses at my door, The note that was attached to them Read, "Meet me as before." I could not keep from putting on A smile from ear to ear, Then left the house to meet my friend Through air so crisp and clear I forced myself to wait 'til six, Then turned back toward my home The sky was dark, so too my heart, for now I was alone When I got back the news came in, My handsome friend had gone He died of cancer late last night He never saw the dawn "How could this be? It isn't fair!" I cried through eyes so red "He was so wonderful to me, How could he now be dead?" I realized then why he'd been sad Out there upon the sand, He knew he would be leaving soon And needed my strong hand I'd been the one to show him that He did not need to fear, For I had offered part of me

Winds of December

A maiden waits, watchful but weary, Hoping and praying her love will come home. Months have passed since his departure, And tempests have boiled troubling the deep The winds of December bring delight to most But only bring sorrow to the one who waits, Walking the piers in waking hours, Gleaning the gossip for a glimmer of hope. Pacing her rooms when night brings peace To those who have no heart wrenching vigil She is doomed to anxious days And sleepless nights are her sentence. Now decades have passed, for birth and death Never cease their endless cycle And she is just a sliver of a sigh, A legend to laugh about late at night But others have told tales of terror, Of strange sights on the stormy strand When the winds of December whip the sea Into foamy crests that crash against cliffs, Then, they sat, a ghostly specter Veiled in grey, with a gesturing arm Raises her voice in the raging wind And adds her wailing to the winds of December

By Lisa De Boer

First and Last

She waited at the door for him. As she did everyday She trusted that he would return, Home from work, then to stay After supper they were talking "Dear," Jane said to Gary, "Next Thursday is a special day, Our anniversary." He then looked down and said to her "Oh, honey, I didn't forget But I must go away for work The plans they all are set." "I want to be here on our first." But boss, he made the plan You will receive a call from me, That is the best I can." The week was hard and long for them The other to be heard. And on that day the phone did ring. for he had kept his word "I'm sorry, ma'am," the voice did say "There's been an accident." At the door no more they'd meet 'How much this year has meant!"

Exchange Students

This year Holland Christian was privileged to have four exchange students. Tom Kallenbach, Jan Somann Kimihiko Neyazaki, and Denise Frey

Forn is from Maugstrup, Denmark He has been an active part of Holland Christian right from the start by playing on the varsity soccer team. He is happy in Holland and enjoys attending Holland Christian, although it is very different from Denmark, Tom thinks the teachers here are great and finds the student

body very friendly

lan was the exchange student from Hamburg, Germany. He considers Holland a rather small community compared to his city of 1.6 million. He has learned a lot in this school and really appreciates the teachers' help. One thing that he finds different from schools in Germany is the sports teams. He is a member of the tennis team, and thinks it is a great way to get involved and show how great Holland Christian is

Kimo is from Fujisawa, Japan. He finds America very different in size as well as customs. He caught onto English very quickly but misses his own words and language. Kimo plays violin in the orchestra and is a member of the swim-

Denise came from Curitiba, Brazil She likes the subjects, teachers, and students at Holland Christian. In comparison to her country, she says that everything is different, the religion foods, and weather, as well as school and language. Denise took an active part in the Tulip Time activities by being involved in Dutch Dance

Stratford

The Merry Wives of Windsor

On September 29, at 4.45 a.m., 137 sleepy Seniors boarded 3 chartered buses and headed for Stratford Ontario

They were on their way to the Strattord Festival to see the play, "The Merry Wives of Windsor," a comedy by William Shakespeare

After a 7 hour bus ride, the Seniors arrived in Stratford. They are their sack lunches on the bus and had an hour and a half for shopping and sightseeing.

The play, the real reason for coming was an entertaining comedy. When the play ended the Seniors again boarded their buses to get supper in Port Huron.

It was a long, tiring day, but the beniors had a good time with their friends and classmates, and it will be a day long remembered

The International Dinner is an annua dinner held for the students of the Spanish, Latin, and German classes. The Dinner, held on March 18, was a great success. The food was provided by the students, who made authentic ethnic dishes from various countries. After the dinner was eaten and enjoyed, the entertainment began. Each class had a chance to give a short skit while the other classes attempted to interpret what was being said. Singing in the different languages was the next activity The students enjoyed their attempts at singing in other languages, but soon the eventful evening came to a close

From January 31 to February 15 things were not the same as usual at Holland Christian It was Homecoming Week and every day something unusual was happening Monday was "Preppie" day and the noon activity was a wagon race in the gym. On Tuesday many students came wearing strange hats, ties, and glasses. The Volkswagen Push was the contest at noon Dress-Up day and the Lifesaver Race scheduled for Wednesday had to be postponed until Monday because school was cancelled. Thursday was Costume day with costume judging at noon. Nearly all the students participated in the annual lean day Friday and the brave ones took part in the Innertube Race. The week's activities tinished with an exciting game against Creston, that went into overtime. To arouse more school spirit, two unexpected cheerleaders emerged from the crowd to help lead the cheers.

Downhill Ski Club

Bad Conditions Do not Stop Skiers

Unusual to Western Michigan, there was not much snow this year. Despite this fact, there was a good turnout for the Downhill Ski Club. The passes were good for Thursdays, and near the end of the season their use was extended to Monday-Friday

The 73 members varied in skill; from the beginner on the bunny hill, who took the run skiing straight down with poles flying in all directions, to those who have been skiing since age 6 and could go down the face with no problems. All of the members had a good time and through practice and maybe a few falls, each member became a better skier

History Book of the Year

This year our theme and the senior class song were "Jesus, Like a Shepherd Lead Us." As we look back over this year, we can see God's guiding hand through many unique events, both international and local. Some of these events were, the decision to start building the new middle school, the meeting called by the school board on the student drinking problem, the banning of mini-skirts seniors losing homecoming, only one snow day due to two inches of ice, less than 24 inches of snow all winter, gas prices dropping from about \$1.25 a gallon to \$1.04, Mash air ing its last episode, the invasion of £T and Pacman into our lives, John Hinckley Jr. trying to commit suicide for the third time and failing, Princess Grace of Monaco killed in a car accident, and the national debt increased to over one trillion dollars. As we reflect on the events of this year, may we see how God has been in control and led us through our times of trouble and joy

I would like to thank my talented staff for their creativity, hard work, and dedication in reaching our deadlines on time. I would also like to thank the photographers Mr. Phill Veldheer, from the Holland Sentinel, seniors Brett Wiersma, Jeff Mass, and the juniors Dave Spykerman, and Tim Barendse for sacrificing some of their own time to take pictures.

Also a very big thank-you goes to Mr Robert Talsma, our Taylor Publishing Representative, and to Mr. Gus VantJenBerge, whose knowledge, suggestions, and criticisms were very helpful in the organizing and designing of the Footprints

The memories preserved in this book are just small steps forward in the pathway of our lives as God leads us into the coming years

Sincerely

Kris Covert
